

# Tender Triumph

Discover the sensual and sweeping power of love in *New York Times* bestselling author Judith McNaught's romances that will make "you laugh, cry, and fall in love again" (*RT Book Reviews*).

**On** Friday, a sensuous stranger enters Katie's life. By Sunday, her life is irrevocably changed forever.

Katie Connelly submerges her painful past in a promising career, an elegant apartment, and men she can keep at a distance. Yet something vital is missing from her life—until she meets proud, rugged Ramon Galverra. With his charm and his passionate nature, Ramon gives her a love she had never known. Still, she is afraid to surrender her heart to this strong, willful, secretive man—a man from a different world, a man with a bold, uncertain future. Will Katie's relationship with Ramon survive once the thrill of their simmering passion subsides?

"[A] gift of joy . . . a great love story."
